# KAEGE RETRO® TARGA GLASS ROOF

Elegance. With an open-air flar.

The KAEGE RETRO® TARGA GLASS ROOF is based on the Porsche 993 Targa and incorporates its characteristic roof technology in a modernised form.

## MADE IN GERMANY

Reproduction F-model based on the air-cooled 993 Targa

## PERFORMANCE UPGRADE (OPTIONAL)

286 hp from 3.6 liter displacement (standard)

300 hp from 3.8 liter displacement

## MANUAL TRANSMISSION

6-speed

## DRIVE TYPE

Rear-wheel drive

## WEIGHT-OPTIMIZED

Only 1250kg

## ROOF VERSION

The KAEGE RETRO® TARGA GLASS ROOF has an original 993 glass roof with electric closing function and integrated electric sunshade. In this version, the glass roof slides electrically under the rear window.

## OPEN TO YOUR WISHES
